Mr. James F. Greene, Deputy Commissioner
Immigration and Naturalization Service
United States Department of Justice
Washington, D.C. 20536

Dear Mr. Greene:

I would like to express my personal appreciation for the many years of assistance you have provided this Agency supporting activities in the furtherance of the national intelligence mission.

As Deputy Commissioner, as well as in your earlier positions, you evidenced a thorough understanding of the complex problems faced by this Agency. Your advice and expertise contributed to many of the operational successes we have enjoyed.

Occasionally the nature of the liaison relationship between our organizations has placed a burden on you and your staff. Your patient cooperation through the years has been most appreciated. The guidance and counseling you have rendered will be missed, and you may be sure that you have made a lasting contribution to the bond of friendship that exists between our services.

I hope that your retirement years will be most happy and rewarding.

Yours,

/s/ Stansfield Turner
